**NOTES (Defer to Table 3.1 of AFI 36-2110, Dtd: 1 Feb 2000 for any discrepancies):**

1. Use this table with paragraph 3.2., OS Tour Lengths, which addresses tour length exceptions by category.
2. For this table only, the abbreviation NA means "not authorized."
3. Accompanied tour and command-sponsorship of dependents permitted only when government family quarters or government approved family quarters and support facilities are available to the individual.
4. Aircrew members (accompanied or unaccompanied) serve a 36-month tour plus the length of in-country training if assignment is to the NATO AWACS E-3A Component as follows: Officers in AFSC 11SX, 12RX, and 13BX; and airmen in AFSCs 1A1X1, 1A3X0, 1A4X0, 1A5X0, 1A5X2 and 1A5X3.
5. The tour length change for Greece from 36/24 to 24/15 was effective 16 Jun 93. The tour length for members assigned to the Defense Intelligence Agency and Defense Security Assistance Agency in Athens Greece remains 36 months accompanied and 24 months unaccompanied.
6. Not all service members are eligible to serve an accompanied tour in those locations where such tours are authorized. Eligibility is contingent upon the member's actual duty assignment as determined by US Forces Korea. For assignment purposes, those not offered to serve the accompanied tour (or those offered a CSPL position who elect the unaccompanied tour) are considered to be serving a dependent-restricted unaccompanied tour.
7. The tour length for Panama changed to NA/12 for Air Force personnel arriving 1 Mar 98 or later for assignment to the following units: 24 th Wing and associated units; 640 th Air Mobility Squadron; AF Legal Services Agency; Det 214, 2 nd Field Investigation Unit, and those assigned at Ft. Clayton and Ft. Sherman.
