1. I certify that XXX completed 359 hours of voluntary service with the Oasis Airmen Ministry from May 2021– December 2022. During this period, XXX led and enhanced weekly and monthly social and service events that strengthened the resilience of over 900 Airmen living in the dorms and benefited the city of Clovis, NM. More specifically, he attended two weekend retreats and dedicated over 3 hours weekly to support Cannon Chapel programs by connecting First Term Airmen to chapel resources, mentoring Airmen during our weekly gatherings, and volunteering service hours to benefit and beautify the Clovis community. His involvement in our program provided a safe and positive alternative for the civilian and military community. Of note, XXX is a founding member of the Oasis Airmen Ministry, which exists to connect Airmen to spiritual, social, and service opportunities to bolster the quality of life for Airmen of Cannon AFB and the local community. For these actions, I recommend him for the Military Outstanding Volunteer Service Medal.

2. Requesting your approval for XXX to receive the Military Outstanding Volunteer Service Medal for his faithful service to our service members and our community. For any questions, comments, or concerns, please contact me at xxx.
